

TEAM DRIVING SECURITY PROGRAM

Keeping High-Value Cargo in Motion—
Always Attended, Always Secure

Our high-value security loads are protected by team drivers to ensure continuous movement, minimized downtime, and maximum vigilance—delivering unmatched cargo protection.

KEY SECURITY BENEFITS

 ALWAYS ATTENDED	Two drivers = no solo driving, no unattended freight
 24/7 MOVEMENT	Eliminates long stops—maximizes transit speed & reduces theft risk
 ENHANCED SECURITY BRIEFINGS	Teams briefed on route-specific threats and coordinated procedures
 STRICT NO STOP PROTOCOLS	Teams must complete 250 miles without stopping from the shipper
 IMMEDIATE RESPONSE CAPABILITY	24/7/365 Incident Response Center supports teams in real-time
 TEAM-SPECIFIC TRAINING	Security training designed for team driving dynamics & compliance

HOW IT WORKS

TEAM SECURITY BRIEFING >>> DUEL DRIVER ASSIGNMENT

>>> IN-TRANSIT MONITORING >>> 24/7 SUPPORT >>> SECURE DELIVERY

TWO DRIVERS. ONE MISSION:
PROTECT THE LOAD

WHY COVENANT TEAMS WORK

Team drivers reduce theft exposure by ensuring high-value cargo is never left unattended. Our team driving model is a cornerstone of Covenant's high-value security promise.
